Probation Officer Grimes advised the court that the law violation involving the arrest of the defendant on May 17, 2005 by the Akron Police Department had now been dismissed and Probation Officer Grimes therefore moved that the supervised release violation be dismissed. Assistant U.S. Attorney Bulford and Assistant Public Defender Terez joined in this motion.

In view of the foregoing, it is recommended that the motion to dismiss the June 1, 2005 supervised release violation against the defendant be granted.

The probation officer's recommendation for \$5,000 unsecured appearance bond was found acceptable by the assistant U.S. attorney and defense counsel. There being no objection the defendant was released on \$5,000.00 unsecured bond pending final disposition of the June 1, 2005 supervised release violation report.
